

Our Christian Values: Creativity, Compassion, Friendship, Perseverance and Respect

25th March 2024

Dear Parents and Carers,

As you may be aware, our neighbouring school, Pelynt Academy, who are also a part of Bridge Schools, have been advertising for a Head of School. As a new head has not been appointed, I have agreed to support the school for two half-days a week, while the post is advertised over the summer term. Mrs Currah has kindly agreed to increase her teaching hours to accommodate this change. This will be an exciting opportunity and I believe there will be many benefits for both schools to learn from each other.

Best wishes,

Mr Hannah
Head of School
